

Title	Aboriginal Heritage Impact Permit Boundaries
Abstract	This data records the boundaries of Aboriginal Heritage Impact Permits (AHIPs) issued, varied, surrendered or revoked under Section 90a of the National Parks and Wildlife Act 1974. Some AHIPs have not been included in the layer due to poor data quality or missing information. Users should verify the exact boundary with the AHIP documentation and refer to the AHIP Public Register to identify any AHIPs in an area that have not been included in the layer.

Lineage

Data has been collated from spatial files and/or coordinates provided by proponents with AHIP Applications and digitised on screen. Measures have been taken to ensure the data added to the layer matches the Land to Which the AHIP Applies that is included in each permit documentation. However, errors may exist and users should always refer back to the maps issued with the AHIP.
