

Title	Kajuligah Nature Reserve vegetation map. VIS_ID 3977
Alternative title(s)	KajuligahNR_1976_E_3977
Abstract	Vegetation types present on Kajuligah were interpreted from aerial photography onto air photo overlays. Source of digital version of the map is unknown. 1:60,000 scale air photos were captured over the area in 1973 and may have been used as a basis for the mapping. Brickhill (1976) provides vegetation descriptions in the context of the property's conservation value for addition to the reserve network. Brickhill J (1976) Kajuligah Nature Reserve proposal including sketch map of vegetation. Unpublished HO file M350. NSW National Parks and Wildlife Service, Hurstville. There are references to a more recent report that appears to be out of circulation. VIS_ID 3977

Lineage

Vegetation types present on Kajuligah were interpreted from aerial photography onto air photo overlays. Digitising was undertaken in Dubbo. 1:60,000 scale air photos were captured over the area in 1973 and may have been the basis for mapping. Brickhill (1976) provides vegetation descriptions in the context of the property's conservation value for addition to the reserve network.
