Title	Archive 2019 - Transitional - Excluded Land	
Alternative title(s)	Excluded Land	
Abstract	This record is now superseded. The current record for 'Transitional – Excluded Land' can be viewed <u>here.</u>	
	The Excluded Land layer is a component of the Native Vegetation Regulatory Map (NVR Map). NVR Map was prepared by Department of Planning Industry and Environment (DPIE) under Part 5A of the Local Land Services Act 2013 (LLS Act) and supporting Local Land Services Regulation 2014.	
	Section 60A of the Local Land Service Act 2013 (LLS Act) identifies land where the regulatory framework for native vegetation clearing in rural areas does not apply. This land is mapped as Excluded Land on the Native Vegetation Regulation Map (NVR Map).	
	The 2019 Annual Review of the transitional NVR map was published on 22 November 2019. Please read below for details about changes occurring as a result of the 2019 Annual Review. The latest version of the map can be viewed online using the NVR Map Viewer	
	Excluded land listed under Section 60A of the LLS Act includes:	
	 Urban areas under the State Environmental Planning Policy (Vegetation in Non-Rural Areas) 2017, including 33 local government areas and 22 listed local environmental plan zones under the Environmental Planning and Assessment 	
	 Act 1979. National Park estate and other conservation areas State forestry land. Crown Reserves; land dedicated or reserved under the Crown Lands Act 1989 Interim Heritage order or listing on the State Heritage Register under the Heritage Act 1977 Lord Howe Island 	
	Complete list of Excluded Lands can be found in the Native Vegetation Regulatory Map - Method statement found: https://www.environment.nsw.gov.au/-/media/OEH/Corporate-Site/Documents/Animals-and-plants/Biodiversity/native-vegetation-regulatory-map-method-statement-170495.pdf	
	All spatial data sets compiled for the excluded land layer are held within databases maintained by NSW Government.	
	Data on the NVR viewer is updated on a monthly basis for Landholder initiated Map Reviews and other minor data changes. https://www.lmbc.nsw.gov.au/Maps/index.html?viewer=NVRMap	
	Data available for download was last updated on 25th May 2020.	
	Please contact Department of Planning Industry and Environment data broker on data.broker@environment.nsw.gov.au for additional information.

Lineage

All spatial data sets for compiling the excluded land layer is within the databases maintained by NSW Government. The name and source data information is included in the excluded land layer's attribution table.

Further information on the process used to develop the Native Vegetation Regulatory Map can be found in the Method Statement:

https://www.environment.nsw.gov.au/-/media/OEH/Corporate-Site/Documents/Animals-and-plants/Biodiversity/native-vegetation-regulatory-map-method-statement-170495.pdf
