Abstract	This dataset contains best endeavours aggregation and depiction of In Force Water Sharing Plan (WSP) – Groundwater Sources & Management Zones derived from WSP's gazetted under the NSW Water Management Act 2000. PLEASE NOTE: In the case of any discrepancy between this digital dataset and the published Water Sharing Plan (accessible on the www.legislation.nsw.gov.au site) the instrument as made by the Minister remains the authoritative source and should be used to both interpret the intent of the Plan and in subsequent decision making. Best endeavours have been made in collating relevant Water Sharing Plan boundary and attribution contained in this dataset. However, no warranty is provided as to the accuracy or currency of this representation. The department does not warrant and is not liable for the use of this material as per the licenced sharing conditions CC-BY 4.0.

Purpose	This dataset is presented as a collection of boundaries and attribution derived from various gazetted In Force Water Sharing Plans. Its intended purpose is as an easily accessible and interpretable representation of this data. However, no warranty is

	provided as to the accuracy or currency of this representation. In the case of any discrepancy between this digital dataset and the gazetted and published Water Sharing Plan (accessible on the www.legislation.nsw.gov.au site) the gazetted instrument remains the authoritative source and should be used to both interpret the intent of the Plan and in subsequent decision making.
